Item 1A. Change Order #1 Gilroy High School

- Going to the board on Thursday, January 18th
- Foundations adj. needed to be made to the building

Item 1B. IOR City Pool Shade Structures, Christopher High School

Item 1C. City Pool, Christopher High School

- Both items B and C are City projects, however we need to hire the IOR.
- The City will reimburse the District.
- The total cost is \$30,000 and includes a re-inspection fee.

Item 1D. scheduling future visit to tour Modular Construction

- Information only

Item 1E. Proposal for Justification Study/Developer Fee

- Reviewed proposal from Jennifer Vail
- Same consultant that provided the last report in 2016
- This item will be presented to the Board on 1.18.2018

Item 1F. Discussion on Bond Measure E Priorities

- Tabled until February 2nd.

Item 2.A. Gym Floor refinish at Gilroy HS

- Mid court area is peeling off, a total re-sand is necessary
- There was some water damage, resulting in some needed repairs
- Need to be done, this is a safety hazard.
- We have one quote from HY Floors for \$29,875
- Christopher HS's gym will likely need to be done in the spring as well.
- Central Coast will also provide us with a quote to do the work. The lowest cost provider will be presented for action to the Board sometime in February/March.

Item 2B. Property Survey

- Information was presented to the subcommittee to note the property line.

Meeting adjourned at 10:40 a.m.
